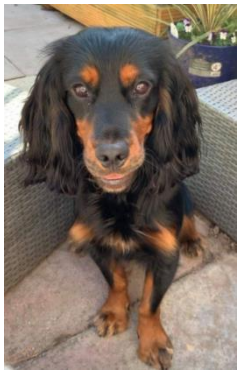
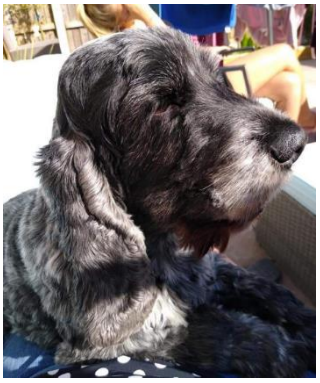
Hello my lovely Ladygrove family and friends.
I hope you are all well and Staying Safe ❤
Did the Easter Bunny come to your house? I was very lucky I had a small Easter egg.
As we go into another week with no school, I hope you are trying hard with spellings, reading, maths and even a bit of science. I'm sure you are all running around (outside only) keeping fit.
I have been playing in the garden with my dogs and taking them on long walks, doing my daily exercise.
I am having lots of fun with my family who I am at home with x
I have started doing cross-stitch, which I haven't done for a long time. I was talking to my sister; she is knitting a blanket so I thought well I haven't knitted for a very long time so I'm going to knit a blanket for when my feet get cold. I've been doing lots of colouring, as I love to colour in bright colours, and it's very relaxing.
Oh yes I changed my hair colour again, I wonder how many times I can change it before we are all back at school. I haven't cut it yet so I might be in pig tails before much longer!




I am missing my family and friends that I can't be with but I try and talk to them all, but staying safe is what we all have to do x
Love from
Mrs Morgan x x
