### National Curriculum

As Writers, study list poems which use expanded noun phrases, write a portal story and learn to write an informal recount in the style of a letter.

As Readers we will read 'How to Train Your Dragon' by Cressida Cowell using the ERIC approach to answer questions about the book. We will continue to follow the Cracking Comprehension units to further develop our comprehension skills.

As Mathematicians, study place value, reasoning problem solving, Roman numerals and the four main operations, addition, subtraction, division and multiplication.

As Scientists study electricity and sound and learn about Nikola Tesla and Alexander Bell. We will also be doing a couple of lessons to explore Earth and Space and Forces and Magnets.

As Geographers we will be finding out about some of the countries and capitals in our home continent, Europe.

As Historians we will be looking at Trade and Transport through the ages.

As Artists, study a range of artists and their techniques looking at Myths and Legends. We will create dragon's eyes using clay.

As Design Technologists, we will be planning, testing and creating dips using what we've learnt about food from different countries.

In P.E. we will follow our Real PE units, Real Gym units and we will look at invasion games.

In Computing, we will be developing our skills in Networks and we will be creating sound using audio production.

In R.E. we will use our Jigsaw programme to explore the Christianity belief of the Trinity and Hinduism - the importance of Deities in their faith.

In PHSE we will use the Jigsaw programme explore 'Being me in my World' and looking at rewards and consequences. We will also look at Celebrating Differences.

As Musicians we will be learning and developing rhythm.

In Spanish we will revise core vocabulary already learnt and then learn how to 'present myself' in Spanish.
