

Hello Year 6,

Hope that you are all keeping yourselves safe and have been enjoying the sunshine. We have been busy setting up your home learning through Purple Mash and Spag Online- Ralph ensures that he is at my side (as always) whilst setting your work- the hardest challenge so far has certainly been improving his pose for this picture! I feel like I have completed a secret mission after trying to get these two boys to sit together and look at the camera for this photograph!

I have enjoyed seeing all of your posts so far on our Class Blog, please remember to write your name so that I know who I am replying to. I have been trying to master Origami this week, all you need is paper and an online video- maybe you could also have a go?

I look forward to hearing about any books that you have read during our break- if you have finished a book and want to recommend it to the class, why not post a small review on the class blog? This way, we can share our reading journey just as we would in class. Remember what I always say, "If you read, you succeed!". I have started reading 'The Good Thieves' by Katherine Rundell (the author of Wolf Wilder) which you could download on a Kindle- so far a gripping read with some great twists!

Finally, I just want to let you know that although we aren't together like we usually would be, I am thinking of every single one of you and cannot wait to see you all again shortly. We will have so many stories to catch up on- my Ralph and Bertie stories will be never-ending!

Remember, I am just a message away on our class blog, I will do my best to reply to you as quickly as I can.

Keep smiling,

Miss Evans
