

## Autumn Term Week 5

We are beginning our new topic 'Why do squirrels hide their nuts?' this week.

In Literacy we will be labelling Autumn objects and writing about hedgehogs.

In Maths we will be counting carefully and making repeating patterns.

In the afternoons we will be creating Autumn artwork and will be reading our books. During our Science lesson we will be hunting for signs of Autumn.

Please can you ensure ALL sweatshirts and cardigans are clearly labelled with your child's name.

If you send your child in with grapes they must be cut in half lengthways to prevent choking.

Due to an allergy in our class, please can I ask that children do not bring nuts into school. Thank you.

Dates for your diary

#HelloYellow Mental Health Awareness Day - Friday 9<sup>th</sup> October

PD Day - Friday 23<sup>rd</sup> October
