

Autumn Term Week 7

We are continuing our topic 'Why do squirrels hide their nuts?' this week.

In Literacy we will be reading story 'Bear has a Story to Tell'. We will be writing a description of the bear and will label the characters in the story.

In Maths we will be ordering Numicon, finding one more and one less and will be ordering objects by length.

In the afternoons we will be using the iPad to draw a hedgehog. During our Science lesson we will be labelling parts of our body.

Please can you ensure ALL sweatshirts and cardigans are clearly labelled with your child's name.

We are encouraging the children to become more independent. Please they practise putting on and taking off their coats at home. Thank you.

Dates for your diary
