Solar System

Hello, Pluto!

In July of 2015, a spacecraft named New Horizons arrived at Pluto after a long journey. It took amazing pictures of this dwarf planet and will continue to study other objects in the Kuiper Belt from 2018 to 2022.

Find out more about Pluto.

Make a comet on a stick!

Answer your questions:

- How many moons do other planets have?
- What's it like inside Jupiter?
- How did the solar system form?
- Why does Saturn have rings?
