Year 4

Week 14

Year 4 - Week 14

This week in a nutshell:

- Mental multiplication and division this week focuses on using the known facts from the 9 times table. Mental addition and subtraction questions this week focus on adding two, two digit numbers mentally.
- Written methods for multiplication and division focus on written multiplication and division, where questions are presented using the formal written method. Written methods for addition and subtraction focus on the addition and subtraction of 4 digit numbers, where each number has an equal number of digits.
- Fractions questions continue to focus on finding unit fractions of increasingly larger numbers.
