

PSHE: Community

First, watch the video lesson.

<https://classroom.thenational.academy/lessons/we-are-a-jigsaw-6cv3ed>

Task

Create a jigsaw, piecing together at least **six** groups or small communities who contribute to your town.

This could include:

- Communities that you're a part of
- Prominent communities within your town
- A community you want to join!

Here is an example.

You could use the template or draw your own jigsaw.
