

Year 1 Home Learning

Week Beginning 22 February 2021

Hello everyone.

I hope you all had a lovely half term and enjoyed the break from home learning.

In English this week we are going to be looking at DINOSAURS!

In maths we will begin to look at measuring length and height.

All worksheets will be on the school website and we will post daily updates on dojo as we were doing before half term.

We will continue meeting on teams on Tuesday and Thursday at 1.30pm.

We love seeing your work so please keep sending us updates.

Have a lovely week,

The Year 1 Team

English and Maths

	English - Writing	Maths
Mon 8th	<p>Reading comprehension. On dojo and website.</p> <p>Look at the picture of the dinosaur. Read the labels and write them in the correct boxes. This activity should be as independent as possible</p>	<p>Measurement—comparing lengths and heights See video lesson</p> <p>Children will begin to think about height and length. We will be using the words longer shorter and taller to compare heights and lengths.</p> <p>Worksheet uploaded to dojo and available on the school website.</p>
Tue 9th	<p>Dinosaur facts - video lesson</p> <p>We will look at a dinosaur information together.</p> <p>Today's activity. Draw a picture of a dinosaur and write facts about it. Use a full stop capital letters and finger spaces.</p>	<p>Measurement—measuring lengths See video lesson</p> <p>Today we will look at non-standard units of length (using objects to measure). Worksheet uploaded to dojo and available on the school website.</p> <p>Challenge—find things around your house to measure using cubes, blocks or anything else you can find e.g. how many lego blocks long is the pencil</p>
Wed 10th	<p>Adding adjectives - video lesson</p> <p>Up level Miss Houchin's boring sentences. I am going to write some sentences to describe a dinosaur. But they are going to be very boring. Can you use adjectives to make my sentences more interesting.</p> <p>Worksheet uploaded to dojo and available on the school website.</p>	<p>Measurement—measuring lengths See video lesson</p> <p>Today we will look at standard units of length (using cm). A ruler or tape measure would be helpful. Worksheet uploaded to dojo and available on the school website.</p> <p>Challenge - use a ruler/tape measure to measure items around the house or parts of your body. Can you find out who has the longest legs?</p>
Thurs 11th	<p>Create your own dinosaur</p> <p>Come up with your very own dinosaur. Give it a name Draw a picture of it Write sentences to tell me all about your dinosaur.</p>	<p>Measurement—adding lengths See video lesson</p> <p>We will use our addition knowledge to add lengths together.</p> <p>Worksheet uploaded to dojo and available on the school website.</p>
Fri 12th	<p>Wanted poster - video lesson</p> <p>Watch out! A dinosaur is loose in Year 1. Can you create a poster to tell people all about the missing dinosaur?</p>	<p>Measurement - subtracting lengths See video lesson</p> <p>We will use our.</p> <p>Worksheet uploaded to dojo and available on the school website.</p>

Phonics

We will put these links on dojo daily as well, as they seem to be playing up a bit.

<p>PE</p>	<p>Andy's Wild Workouts:</p> <p>https://www.bbc.co.uk/iplayer/episode/p06tmrxr/andys-wild-workouts-series-1-6-rainforests</p>													
<p>Science</p>	<p>Oak Academy</p> <p>What is a living thing?</p> <p>In this lesson, we will be learning about living things and the features of living things. All living things need to be able to breathe, produce waste, grow and change, feed and reproduce. We will then finish the lesson looking in more detail at different types of diets that animals may have. You will need a piece of paper, a pencil and most importantly your brain!</p> <p>https://classroom.thenational.academy/lessons/what-is-a-living-thing-70t3ae</p>													
<p>Music</p>	<p>Understanding pulse</p> <p>In this lesson, we will be learning about pulse, how to find it and how to move our body in time to the beat.</p> <p>https://classroom.thenational.academy/lessons/understanding-pulse-cdk38c</p>
