Legislation and guidance

This policy meets the requirements of the working together to improve school attendance from the Department of Education (DFE), and refers to the DFE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- * The Education Act 1996
- * The Education Act 2002
- * The Education and Inspections Act 2006
- * The Education (Pupil Registration-England) 2016
- * The Education (Penalty Notices-England) 2013

Relevant government guidance

- * Parental responsibility measures for attendance and behaviour
- * Children missing education
- * Keeping children safe in education 2022
- * Working together to safeguard children
- * Elective home education
- * Alternative provision: statutory guidance for local authorities
- * Exclusion from maintained schools, academies and pupil referral units in England
- * Supporting pupils at school with medical conditions
- * Ensuring a good education for children who cannot attend school because of health needs
- * Promoting and supporting mental health and wellbeing in schools and colleges
- * Approaches to preventing and tackling bullying

This policy also refers to the DFE's guidance on the school census, which explains the persistent absence threshold.

The Governors and staff at Ludlow Primary are united in their belief that regular school attendance is the key to enabling children to maximise the educational opportunities available to them. Helping them to become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community. We set high expectations about attendance from Nursery to Year 6. If your child has a place in our Nursery or School we expect your child to attend. Your child can only learn if they are in school.

It is the child's right to attend, not their parent's right to keep their child at home.

Ludlow Primary values all children. As set out in this policy we will work with families to identify the barriers to achieving and maintaining excellent attendance and offer the right service at the right time to try to resolve any difficulties.

We will monitor attendance and use attendance data to identify any patterns of concern, whilst also celebrating success! Attendance concerns will be raised with parents if reasons are not known by the school, e.g. a long period of illness, this information may be shared with the Local Authority following concerns. Where we have concerns, or lack of engagement from families to improve attendance, we will follow the schools escalated approach to improving attendance. The schools escalated approach is child-centred and prioritises support and developing strong working relationships with families. We will use the early help process to provide support prior to escalation and consider how we can work with families to enable your child to access their right to education.

Our aim is to always to work in partnership with parents and any referral for consideration of a penalty notice is deemed to be a last resort at Ludlow Primary. Attendance figures for each child will be reported to parents as part of the annual report, we will also share a child's attendance profile if we have concerns regarding a child's attendance. Throughout the school year we will report on the overall attendance figures for children groups, this will be closely monitored for support and reported to the Governing Body.

To support good attendance, and safeguarding, at Ludlow Primary we:

- Ensure the school is welcoming and every child feels a sense of belonging and connectedness.
- Ensure the school site is open at the stated times.
- Ensure the regular, efficient, and accurate recording of attendance is complete by every class teacher each day. This further supports our approach to safeguarding within the school.
- Take safeguarding seriously and we will always contact you on the first day that your child is absent from school. If your child arrives late after the close of registration, we will record their arrival at reception and transition the child to class.
- Consider any requests for leave in term time individually.
- Notify the Local Authority immediately if a new child is joining the school roll.
- Inform the Local Authority of children whose parents have notified the school in writing and have opted for Elective Home Education.
- Notify the Local Authority of Children Missing in Education – aligned to the DfE 2022 Attendance paper.

Working together

Ludlow Primary will always work in partnership with our parents Ludlow Primary recognises that poor attendance is often an indication of difficulties in a child's life and their lived experience. This may be related to problems at home or in school. Parents should inform the school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school to identify any additional early help that may be required. Safeguarding is a priority, concerns for any child at any time will be reported to the Designated Safeguarding Lead, the headteacher . We will always follow Keeping Children Safe in Education 2022 and our school Child Protection Policy.

Some children are more likely to require additional support to attain good attendance, for example, children who are vulnerable, have a medical need or EHCP plan will be monitored and supported in school. At Ludlow Primary we will proactively identify and follow up on a child's non-attendance and gather information about the child. This will result in taking early action to prevent non-attendance developing and monitoring the impact of targeted support.

We will initially:

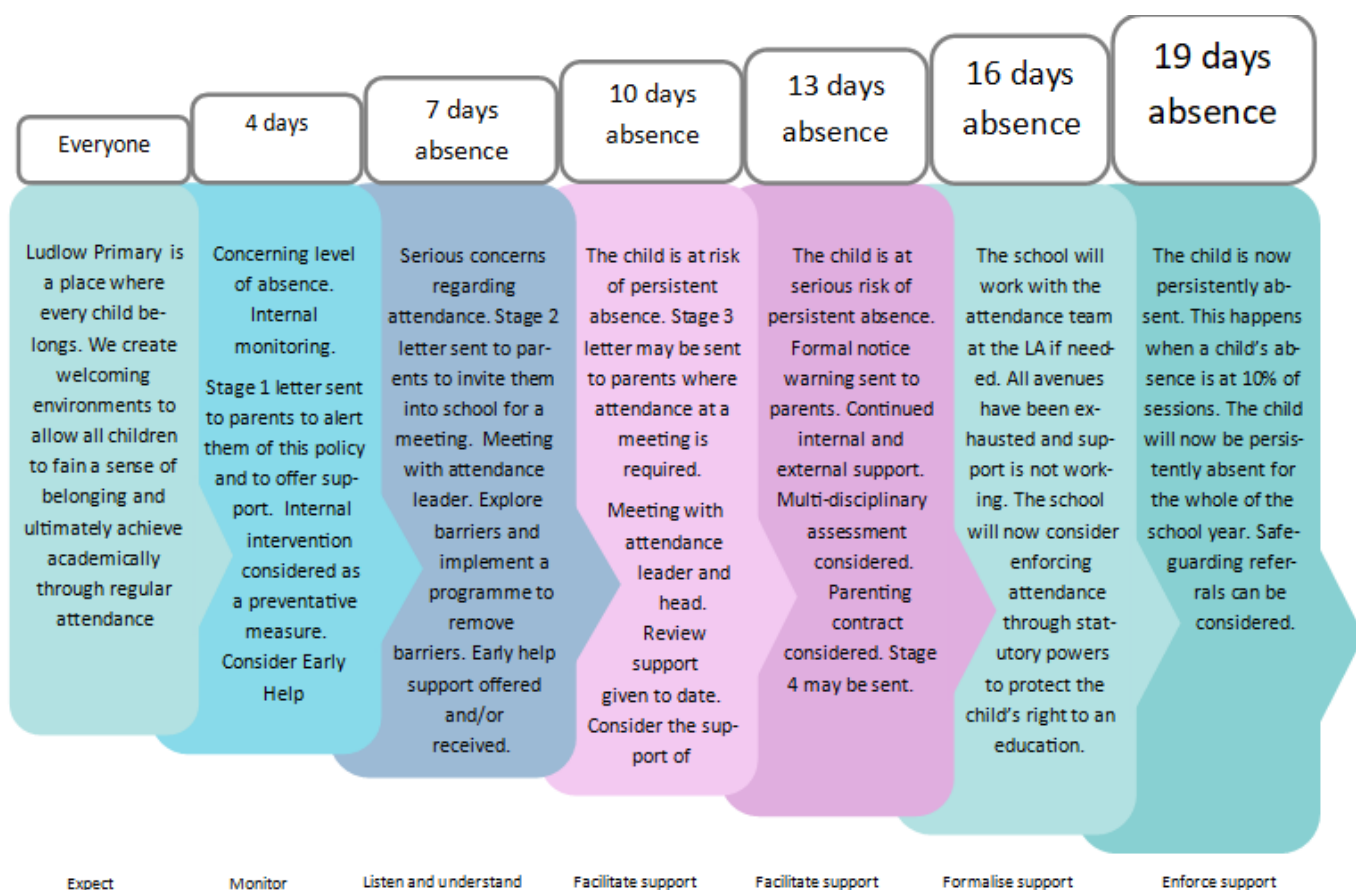

- Check records, including any from other schools which the child has attended previously.
- Discuss with staff how the child is coping with the curriculum.
- Speak to the Special Educational Needs Coordinator to establish whether the child is on the Special Educational needs register.
- Take into account the voice of the child and understand any difficulties, e.g. curriculum or bullying and their views on the issue could be addressed.

Children whose attendance falls below 90% are Persistently Absent from school, where a child falls under 50% attendance the child will be classified as a Severely Absent child. Ultimately this will indicate that all intervention, and support, offered by Ludlow Primary has not made the expected impact to improve overall attendance. Where attendance remains a concern and all other interventions and support have not made a significant impact, we will escalate with external partners.

Attendance Support Map.

We will always support children during each stage of our Attendance Support Map. If there is lack of engagement, or concerns regarding the reason for absence, we will follow the Attendance Map to ensure we prioritise a child's learning and right to education.

Where a child's attendance improves we write to parents to alert them to this.

First day contact

At Ludlow Primary we expect our parents to make contact at the earliest opportunity on the first day of any absence. We will always contact by calling or emailing you. Where we have on-going concerns regarding your child's attendance, we will visit your home address and write to you. We may even invite you to meet with a member of staff to discuss any on-going concerns regarding attendance. It is important that you talk to us first; you are legally responsible under Education Act 1996 for ensuring that your child is in school every day and on time. If we cannot make contact with you, we will continue to make announced and unannounced home visits, regarding any concerns we may have surrounding attendance at Ludlow Primary.

If your child is absent, please let us know by phone or email admin@Ludlowprimaryschool.co.uk on the first day of absence. We aim to listen, understand, empathise and support families with attendance, but do not tolerate, and always seek improvement.

Absence

Parents are responsible for ensuring their children receive a full-time education. Each situation will be dealt with on an individual basis, fairly and equitably always remembering the welfare and safety of the child is the paramount concern.

The term 'parent' includes those who are not a natural parent but have parental responsibility for the child as defined by the Children's Act 1989 or have care of the child as defined by the Education Act 1996.

- Absence can only be authorised by the school; parents do not have this authority. All absences will be treated as unauthorised unless satisfactory evidence for the child's absence has been received. In the first instance contact from the parent will be accepted as evidence. However, if a child's attendance continues to cause concern, parents may be asked to provide medical evidence where absences occur repeatedly due to reported illness. This will usually be in the form of an appointment card, prescriptions etc. Absence may be coded as unauthorised without evidence.
- Parents should wherever possible make all medical and dental appointments outside of the school day. Where this is not possible, children should attend school for part of the day. Appointment cards should always be provided as evidence of medical/dental appointments.
- Unless parents have provided a satisfactory explanation and it has been accepted by the school absence will not be authorised.

Examples of unsatisfactory explanations include:

- A child's/family member's birthday.
- Shopping for uniform.
- Having their hair cut.
- Closure of a sibling's school for INSET or other purposes.
- "Couldn't get up".
- The alarm not going off. Come in anyway as soon as you can.
- Illness where the child is considered well enough to attend school without medical authority and in the absence of a communicable disease.
- Leave during term time taken without authorisation of the school
- Head lice – let the school know and letters will then be sent to all parents in a confidential manner.

Punctuality

Doors open for children at 8:40 am, the class register will close at 8.50 am. Children arriving after the close of registration will be recorded as late. Late marks will not be authorised and will count as an absence for the school AM session. Punctuality is recorded and this will be added to your child's record of attendance, a letter will be sent to parents every half term regarding attendance concerns of a child. If a child arrives at school from 8.50 am they will be U coded.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as unauthorised if a child has arrived late without justifiable cause, for example they woke up late or were waiting for their uniform to dry.

Transition following long term absence or illness

Absence can significantly interrupt the continuity of children's learning.

DURING ANY LONG-TERM ABSENCE, LUDLOW PRIMARY WILL:

- Maintain contact with the child.
- Carefully plan the transition back to school, ensuring your child feels welcome and gains a sense of belonging.
- Ensure the child once again feels safe in school and if they experience any concerns, they will have an appointed member of staff to work with.
- The Class Teacher and Teaching Assistant will support a child when returning to class and help them with any work they may have missed.

Leave during term time

From 1st September 2013, the Government amended the England (Pupil Registration) (England) Regulations 2006. Head teachers may only grant leave in 'exceptional circumstances' only. Parents wishing to apply for leave during term time must send a written request for the attention of the Headteacher before making any arrangements. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised. Each leave during term time request will be considered on an individual basis.

If a child fails to return and contact with the parent has not been made or received, school may take the child off the school's roll in compliance with the Education (Pupil registration, England) Regulations 2006. This means that the child may lose their school place.

If the permission to take leave is not granted and the child is still absent from school, the absence will be **unauthorised**. In such cases the school may consider legal action.

Only in **exceptional circumstances** will absence be agreed. In such cases, consideration will be given to the cultural needs and the family circumstances, such as minority ethnic children returning to their country of origin. In these cases, granting leave for longer periods than normal may be considered justified. In all cases though, parents will be required to justify why the leave needs to be taken during term time.

Using attendance data

Children's attendance will be monitored and shared with other agencies and the DfE.

Regular attendance meetings will be held and will focus on agreed actions for those children of concern. The purpose of each meeting will be to understand the progress the school is making when supporting identified individuals or groups of children.

Attendance data will be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

It is the responsibility of school Governors to challenge and support the school regarding overall attendance, regular reports will be presented to this body. The governors will therefore examine closely the information provided for them and seek to ensure that our attendance figures are as high as can be.

Persistent Absence

At Ludlow Primary we aim to communicate the importance of attendance with parents and children. We have a particular focus on reducing Persistent Absenteeism at the school. The Persistent Absence threshold for children is currently 10% and Ofsted will use this threshold in its inspection of schools.

The threshold means that any child will be classed as Persistently Absent when they have missed 38 or more sessions. This equates to 19, or more, missed days during the academic year - which is as little as 6 days over each of the three Terms. This also equates to the equivalent of 1 day of absence, or more, a fortnight across a full school year.

We will use a 19-day tracking system to make you aware of the number of days your child has missed in education. This will allow us to work together to reduce the number of days and attempt to prevent your child from reaching this number.

Once a child has reached 38 sessions, or 19 days absence, they will be classified as Persistently Absent from school and we will report this to the Local Authority and follow external legal proceedings.

Statutory Duty

Section 7 of the Education Act 1996 states that the parent of every child of compulsory school age receive efficient full-time education suitable to their age, aptitude and ability and any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of compulsory school age at the beginning of the term following their 5th birthday.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

In accordance with the regulations regarding pupils' attendance at school, Ludlow Primary keeps an attendance register on which at the beginning of each morning and afternoon session children are marked present or absent. The marks are electronically processed and stored on the school's central administrative system. This information is shared with the Department for Education.

Legal sanctions

There are several sanctions that school can take to address the issue of non-attendance. To try and identify the reason for absence we will always talk to you first to identify the reason for absence. Ludlow Primary will always ensure the escalated process map is followed, focusing on the support a child needs at each stage (please access on the school website). However, for lack of engagement in attendance support there are sanctions that will be followed:

Penalty Notices (Anti-Social Behaviour Act 2003)

Penalty Notices will be considered when:

- A child is absent from school for the purpose of a Leave of Absence in term time and the absence has not been authorised by the school.
- A child has accumulated at least ten sessions of unauthorised absence and further absence has occurred following written warning to improve

Penalty Notices will be used in accordance with The Local Authority.

Prosecution

Where intervention through the school's process fails to bring about an improvement in attendance, the Local Authority will be notified and legal proceedings in the Magistrates Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under section 444/4441 (a) of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring their child's attendance at school.

Section 4441(a) of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

Schools, trusts and local authorities are expected to work together and make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution. It is for individual schools and local authorities to decide whether to use them in an individual case after considering the individual circumstances of a family. These are:

- Parenting contracts
- Education supervision orders
- Attendance prosecution
- Parenting orders
- Fixed penalty notices

Please refer to section 6 of the DFE Working together to improve school attendance 2022 for more information.

Children Missing Education (CME)

Children Missing Education (CME) are a vulnerable group of children. All agencies who work with children have a duty to support the Local Authority in ensuring all children are safe and looked after appropriately.

CME includes those children who are **missing** (family whereabouts unknown), and are children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address **and either**

- has not taken up an allocated school place as expected, or
- has 5 or more days of continuous absence from school without explanation, or
- left school suddenly and the destination is unknown

IT IS OUR RESPONSIBILITY AS A SCHOOL TO WORK WITH THE LA EDUCATION AND INCLUSION TEAM, BY MAKING REFERRALS.

Celebrating success

At Ludlow Primary we feel it is important to reward children who have achieved good or improved attendance.

Reward	Who for?	Information
Golden Ticket	Class	Classes who have over 97% attendance in a week receive a golden ticket. These golden tickets then go into a raffle
Bands	Individuals	Children who have achieved 100% attendance get a wrist band

Ludlow Primary will always challenge falling attendance and reward improvements. We are committed to the future of all children that attend Ludlow Primary, and by working in partnership with the school community we believe that together we can achieve more!

We can only achieve this by working in partnership with you, if you have any concerns or anything that prevents your child from attending Ludlow Primary or if you would like to become involved in our school please contact Mrs Mather.

DFE: Working Together To Improve Attendance 2022.

From September 2022 the DFE: Working Together to Improve Attendance paper will replace all previous guidance on school attendance except for statutory guidance for parental responsibility measures. The Secretary of State has committed to it becoming statutory when parliamentary time allows (this will be no sooner than September 2023).

Our five key priorities are explained below:

1. Whole school thinking, culture and climate

The school has a fully embedded ethos in which excellent school attendance is expected, developed and nurtured. The escalated approach to supporting attendance is built on foundations of belonging and connectedness.

2. Supportive policies, systems and processes

The approach to improving attendance is built on clear policies, systems and processes. This ensures continuous and sustainable improvement drives attendance practice. The attendance policy is understood by all stakeholders and allows the school to set, and maintain, high expectations to improve the culture of attendance.

3. Professional learning and staff development

The school prioritises developing a team of attendance experts, with a shared vision and core purpose. The Attendance Leader delivers bespoke training to support all staff to fully understand their role in improving attendance. External partnerships support attendance improvements through a multi-disciplinary approach for identified children and families.

4. Targeted programmes and intervention

Data information and analysis direct resources proactively towards key demographic groups and identified individuals. The expert use of data analysis informs decision making at all levels. The attendance process ensures we understand the reason for attendance concerns, these barriers can then be successfully supported and removed.

5. Connection to behaviour management

Connecting and belonging drives the school approach to supporting attendance. All staff are supported to understand 'deeper roots' regarding poor attendance concerns. The school has developed, and embedded, an effective rewards system to further drive attendance improvements and celebrate success.
