Nut Allergy Awareness Policy

The school Nut Allergy Awareness Policy was recently shared on Dojo. Some children in school, along with some due to join us in September, have nut allergies so it is important that all parents and carers read and take note of the policy.

Thank you.

Nursery Spaces

Spaces for September 2024 are still available if you would like your child to join our Acorns Nursery.

Please call into school for an application form or call us to book an appointment to speak to Mrs Gill, the Nursery Manager.

Water Bottles & Suncream

Please ensure that your children bring a drinks bottle to school each day. The bottle must only contain water (non-flavoured). Children will be able to refill their bottles as needed during the day.

Please also apply suncream before school when necessary.

Year 4 Trip to Shropshire Hills Discovery Centre

Year 4 had a great time on their Science trip to Shropshire Hills Discovery Centre last week.

We looked around the museum, explored woodlands for animal trails, went minibeast hunting and even did some pond dipping! We had a lot of fun trying to group and classify different animals. Well done to all children - they represented the school well and were very respectful of members of the public we came across. All children were also respectful and kind to the animals we found. Well done year 4!

Plant Donations for KS1

We would like to thank all the parents and members of the community who have made generous donations to our Ludlow 21 plant project. A special thank you to Mr Collins for donating a huge selection of plants for the children to use in the coming week. We cannot wait to see them on display at the Ludlow Green Festival.

Celebration Time!

Congratulations to the following children who were celebrated in Assembly on Friday 5th July 2024. Well done all!
