Reception Newsletter Autumn Term 2

November 2024

Welcome Back!

We hope that all had a good half term break and are ready for a very busy half term!

Please remember, that it is important that you know that you can talk to us about your child's education. If you need to discuss a matter – or just want reassurance of how your child is doing – please do not hesitate to speak to us at home time or make an appointment to see us, either through Class Dojo or through the school office. We would also like to know of any issues which might affect your child at school; again, this helps us to gain an understanding of how we can support them.

Routines

The children are now confident coming into school each day and continue to grow in independence.

What are we learning?

Our overriding theme is: "Celebrations!"
