

50 things to do before leaving primary school

At Ludlow Primary School, we believe our job is to nurture our pupils to become thoughtful citizens. It is about providing our children with a plethora of rich experiences through trips and workshops, themed activities and visitors. It is about affecting the way our pupils see the world and develop life experiences.

Motivated by our desire to provide children with a richness of experiences beyond the classroom, we have created a list of 50 things to do before leaving Ludlow Primary School. The aim of this is to ensure that our pupils have the childhood experiences that all young people deserve. Each experience has been woven into the curriculum to ensure that every single pupil completes all 50 things by the time they leave us at the end of primary school, some of them many, many times over.

1	Build a den
2	Make a mud creation
3	Learn to ride a balance bike
4	Grow our own vegetables
5	Go on a muddy welly walk
6	Go to see a live show
