Termly Focus Values

Happiness

BRITISH VALUES

Democracy

Making decisions together and  
making sure that everyone has  
a voice and the right to express  
their opinion.

Rule of Law

Understanding the rules set in  
place for everyone and why  
they are important.

National Curriculum

As Writers, we will: develop our poetry and story writing skills. We will practice key spelling and grammar areas for year 3. Our poetry unit will be based upon performance poetry and we will be learning about onomatopoeia. We will develop our fiction writing by studying the Red-eye and writing our own suspense tale. After half term, we will write our own wishing tale and learn about how to write a non-chronological report.

As Readers, we will: continue to build on our decoding skills and begin to develop our comprehension skills using Cracking Comprehension and ERIC for guided reading. We will be studying the Iron Man in ERIC and our class reading text will be the Wild Robot. We shall use the accelerated reader scheme for our daily and home reading.

As Mathematicians, we will: follow the Nation Curriculum and study multiplication and division, learn about money, investigate statistics and develop our understanding of fractions and measurement including length and perimeter. We will be learning our 3, 4 and 8 times tables.

As Scientists, we will: compare and group together different types of rocks, describe in simple terms how fossils are formed and recognise that soils are made from rocks and organic matter.

As Historians we will: be looking at some of the most famous and fantastic buildings from around the world as it is today. We will then use this to compare the similarities and differences throughout the ages.

As Geographers we will: learn about settlements, what the word means and how they have changed and adapted over time. We will compare modern and ancient settlements.

As Artists/Design Technologists, we will: as artist and design technologists we will develop our sewing skills and complete a study on L.S Lowry.

As Musicians, we will: be using graphic notation with the pentatonic scale, identifying the metre in a piece of music and understanding pitch.

In P.E, we will: develop and build upon our swimming and gymnastics skills that we learnt in Year 2.

In Computing, we will: use purple mash to learn about E-safety and Coding.

In R.E, we will: learn about festivals and how they matter to those that follow the religion of Islam.

PHSE we will: learn about dreams and goals and then after half term, how to keep ourselves healthy.

Spanish we will: learn about colours and verbs.
