13th July 2020

Dear Parents and Carers,

As we reach the end of a challenging four months, dealing with the impact of the Corona Virus epidemic, I would like to thank you all for your support and help in enabling us to continue, albeit to reduced extent, the education of your children over this period.

On behalf of all the staff at Ludlow Primary School, I would like to thank you for your great endeavours in teaching the home learning set by the school. This has enabled your children to continue to make progress in their learning, despite the significant challenges we have all had to face. I do not underestimate the challenges and difficulties of doing this, in the face of balancing your own job demands, and those of family life.

I am also very grateful for the efforts and adaptability shown by the whole school staff – caretakers and cleaners, admin staff, teachers, and learning assistants, who have shown great adaptability and commitments in changing to new ways of working, including having to implement new organisation systems and structures that have enabled the school to stay open since mid-March.

Whilst the situation does remain somewhat fluid and uncertain, we will, in line with recent DFE policy, be fully opening the school to all children with effect from the 3rd September. Over the course of the coming week, I will send out further details of the arrangements and procedures that will be implemented from September:

- Returning to school protocol and procedures
- Staggered start and finish times for the School day
- Lunch arrangements

There will also be an updated risk assessment for operating the school, details of which will be published on the school website by the end of July.

I am also available this week to discuss any individual concerns you might have, via the school office.

Finally, on behalf of the staff, I would like to thank you for the many supportive messages we have received throughout this period.

Best wishes

Kate Mather

Headteacher
