

## Robins and Wrens

Week Commencing: 5<sup>th</sup> January 2021

### Weekly Written Task

#### Letter Formation Practice Sheet

Practising hand writing– capital letters need to be twice the size of lower case and reach to the top of the line. Children can copy any text (e.g. from a book).

For a challenge you could have a go at writing some simple words:

- mat
- cup
- pot
- tap
- sad
- dad

### Weekly Maths Task

#### Number Formation

Can you trace the numbers?

We are currently working on shape and numbers to 10. These are great topics to do practically. Use the objectives below to help you create some activities.

Shape: Go on a shape hunt around home. Talk about the shapes, how many sides, how many corners etc?

Money: Can they recognise the different coins up to a £2 coin? Make a shop at home and price up different items. Don't make the amounts too high – up to 10p. Can they add together several items? Use real money if you can.

Telling the time: talk about the different things you do at certain times of the day, eg breakfast at 7.30 am.

Weekly Reading Task (record this in your reading diary)

1. Please read at least 3 x per week - (Oxford Owl or physical reading books)
2. Practise reading and recognition of the high frequency words
3. Practise phonics graphemes for set 1 and 2 sounds. See list of phonics websites to help you.

Other Suggested Weekly Learning – Tasks Related to all areas of the EY Curriculum

They should take no longer than 10 minutes per activity to complete.
