

Possessive apostrophes

You do not have to print this – it will be on the screen in the live lessons.

Look at this example done for you:

The dog's lead was broken. (The lead belongs to the dog)

Copy these sentences out adding the possessive apostrophe in the correct place.

The girls toy was fun to play with.

The angels wings were soft.

The trolls clothes were scruffy.

The teachers class were naughty.

Now rewrite these sentences adding possessive apostrophes in the correct place:

The trolls face as he comes out of his cave is grumpy until he sees the childs sack of food. The sun shines brightly on the trolls back as he turns around. The suns bright light hurts him.

Now you can write your own sentences using the possessive apostrophe.
