

Starter -

These sentences are missing some punctuation. Can you add it in?

- 1) My bike which was very old was broken.
- 2) Witch who had green eyes frightened the children.
- 3) Josh who was feeling tired walked slowly home.
- 4) The house where I grew up looked a lot different when I lived there.

WALT plan a newspaper article

Today, we are going to be planning our newspaper article on the event in Kensuke's Kingdom when Michael goes missing.

We're going to use our blank plan to help us plan and structure our ideas.
