

# LUDLOW PRIMARY SCHOOL

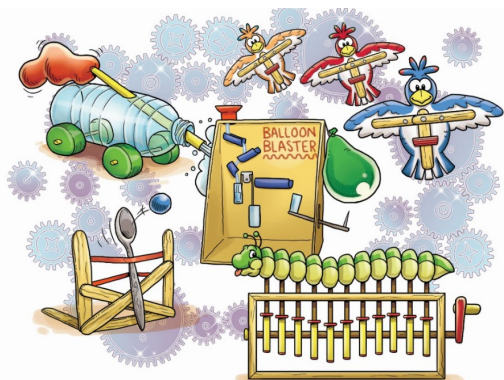

## Year 5 Medium Term Planning

### Summer 1 2021 - Balloon Blaster

**Honesty**

**Independence**

**Kindness**

**Happiness**

### How we will focus on our DRIVERS

#### Confident Communicator

We will develop our spoken language skills through discussions during concept development, design and evaluation. We will expand our topic vocabulary and communicate with increased confidence. When designing and making, we will work collaboratively and cooperate.

#### Citizen of the World

We will develop our understanding of how products are designed to meet a need.

#### Growth Mindset

In our learning, particularly as designers, we will try things out, learn from our mistakes, give and take constructive feedback and use this to move forward with our designs.

#### Healthy Body Healthy Mind

When designing making and testing our products, we will try to recognise and understand our moods and feelings. When evaluating, we will be sensitive to the feelings of others. When working in a team, we will have more confidence in sharing initial ideas.

### National Curriculum

**As Writers,** Use Talk for Writing (*Zelda Claw*) to create suspense. We will also use Talk for Writing to write a warning tale: Alien Invasion. Read poetry by Joseph Coelho and perform poetry.

**As Readers** we will continue to read *Varjak Paw* by SF Said. Later, we will read *Hugo Cabret* by Brian Selznick.

**As Mathematicians,** we will develop our understanding of fractions, decimals and percentages. We will learn about properties of shape; position and direction; converting units and measuring volume.

**As Scientists** we will study living things and their habitats, particularly focusing on lifecycles. Our second topic is Animals including humans.

**As Historians** we will compare and contrast the lives of rich and poor throughout history from the Stone Age to the 17th Century.

**As Geographers** we will be locating the countries that we study in History.

**As designers** we will explore cam mechanisms in order to create a range of movements. Finally, we will use our skills as designers to create a moving toy.

**As artists** our theme is The Power of Love and we will focus on 'The Kiss' by Gustav Klimt.

**As Musicians** we will learn to play brass instruments with a teacher from the Shropshire Music Service.

**In P.E** we will use the Real gym program to focus our balance, co-ordination and social skills. We will also develop skills for tennis and athletics.

**In Computing** we will develop our understanding of coding and become Game creators.

**In R.E** we will answer the following questions: Why is the Torah so important to Jewish people? Why do some people believe in God?

**In PHSE** we will use the Jigsaw programme. Our topics are Celebrating difference and Changing Me.

**In Spanish (KS2 only)** we will learn 'I can...', colours and numbers.
