### Covid Outreach Event

Due to the widespread community transmission across the county resulting in a rising number of outbreaks, particularly in school settings, Shropshire Public Health have decided to set up an outreach event for Ludlow Primary School across both sites on Tuesday the 5th of October.

Parents will be able to collect LFT Home Kits and ask any questions you may have about Testing and Vaccinations. The team will be available on the carpark from approx. 2.30 pm on both sites.

There is no need to book an appointment.

We hope you will find this to be both useful and helpful.

Just a reminder that the only school number in use is **01584 873602**. When you ring this number you will have the option of choosing to speak to Clee View site or Sandpits Road site.

The old Sandpits Road number still exists but only for our alarm line - it is not monitored, you will not be able to speak to Mrs Wright and if you leave a message it will not be retrieved.

We have experienced a few technical problems so thank you for your patience whilst these are being resolved.

As part of our school's curriculum drivers we are keen to bring more people, from the local community, into school that may be able to share their experiences with our children.

This term, we have chosen to focus on our driver 'Citizen of the World' which aims to

- give children a sense of where they live
- build their geographical knowledge and knowledge of current affairs
- encourage children to take pride in their heritage
- develop an awareness of the diversity of the UK and the wider world

These visits would be delivered as part of our whole school assemblies (on both Clee View & Sandpits Road Site).

We are looking for people who would be willing to give up some time to come and speak to our children about their experiences of the world and/or culture, which are linked to some of the bullet points above.

If you think you may be able to help, please contact either Miss Froggatt or Ms Collins via Class Dojo.

## Acorns Nursery

Acorns Nursery forms part of the exciting Early Years Foundation Stage department at Ludlow Primary School. We are a setting taking children from the age of 2 years. We have our own self-contained, spacious facilities together with a large natural outdoor area. We have full access to all school facilities. We have a nurturing, supportive and experienced team of staff who value each child as unique and independent learners. Our provision is child-led which means that staff continually observe, assess and interact with children to get a comprehensive grasp of their stage of development, unique styles of learning and areas of interest. It is important to us that all parents are actively encouraged to be involved in their child's education and we place great importance on communication between the setting and home.

We understand that choosing the right setting for your child is an extremely important decision.

We are open term time –Monday to Friday –9.00am to 3.00 pm. We offer morning (9.00am-11.30am), afternoon (12.30pm-3.00pm) or full day sessions.

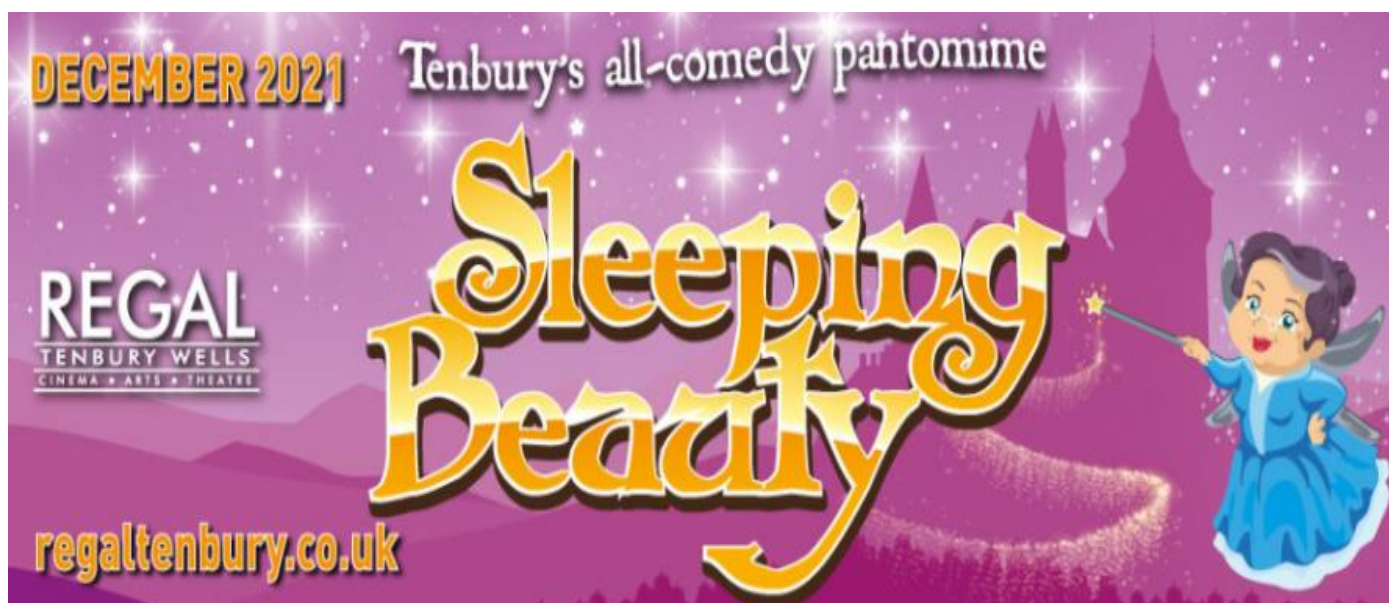

We offer 24U funded places for 2 year olds and also 15 and 30 hour funded places.

*We are currently full, but places will be available for January 2022*

**Please contact the school office on 01584 873602 if you would like to come and see us.**

## Reporting Pupil Absence

Now more than ever, it is vital that we have a reason for a pupil not being in school. When ringing and leaving a message to report your child's illness, please do not simply state that your child is 'unwell' but leave a more detailed message. Thank you.

We're off to the Pantomime this year! We will visit The Regal, Tenbury Wells, over 2 days, Thursday 16<sup>th</sup> and Friday 17<sup>th</sup> December. More information to follow.

## Parents' Evening

Parents' Evening will take place remotely this term, due to the uncertainty of the Covid situation.

The dates are Tuesday 12<sup>th</sup> and Wednesday 13<sup>th</sup> October 3.30-6pm

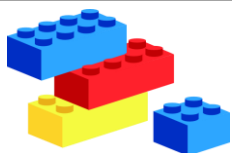

Meetings will be via Microsoft Teams or a telephone call, and further information will be available next week.

## Tesco Tokens

We are delighted to let you know that our application to the Tesco Community Grants Scheme has been successful, and our project will be put forward to a customer vote in Tesco stores, from 1st October to 31st December 2021. Our project is titled 'Growing Healthy Children' and the focus is on sustainability, growing vegetables, healthy eating, and cooking.

The project with the highest number of votes across the region will receive £1,500, the second placed project £1,000 and the third placed project £500.

Please vote for our school as often as you can. To vote, you will need to make a purchase within store of any value. You will receive one token per transaction.

## After School Clubs

We had hoped to start after school clubs again this half term. However, in view of the increasing number of Covid cases, we have made the decision to review this after October half term.

## Dates for your Diary -

Tuesday 12<sup>th</sup> and Wednesday 13<sup>th</sup> October - Parents Evening (Information to follow)

Tuesday 19<sup>th</sup> October - Year 5 to Hereford Cathedral

Thursday 21<sup>st</sup> October - Children break up for half term

Friday 22<sup>nd</sup> October - PD Day (staff only)

Monday 1<sup>st</sup> November - Children back to school
