### Primary School's Sports Funding

Click [here](#) for the Department of Education link to the Primary School's Sports Funding page.

#### What is the Sports Premium?

The Government is providing funding for primary school PE and sport. The PE and sport premium funding can only be spent on this provision in schools. In 2020/21 it will be £16,000 per school plus £10 per pupil.

**Purpose of funding-** Schools have to spend the sport funding on improving their provision of PE and sport in order to:

- Develop or add to the PE and sports activities that the school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in later years

#### How will we be spending the Sports' Funding and who will benefit?

- All children benefit regardless of sporting ability and that all children are engaged in regular physical activity (30 minutes per day in school)
- The profile of sport and healthy lifestyles is increased for all
- A broad range of sports are offered to all children
- Children are given the opportunity to compete and participate in sport and physical activity beyond the school day
- Staff have access to training opportunities and continued professional development

#### Key achievements to date

- Gold School Games Award (LJS- 2018-19)
- Wellbeing day held
- Subject Leadership of PE supported by Stride active CPD
- Real PE training for all teachers
- Employment of PE specialists to support teaching across the PE curriculum
- Increase range of sporting opportunities offered – at Ks1 and 2
- Redevelopment of EYFS and Nursery outdoor areas
- Employment of PE apprentices to support the development of PE
- New large gymnastic equipment on both sites.
