Unfortunately, we are seeing a rise in positive Covid cases, particularly at our Cleve View site (6Oak). We have reported this to Public Health Shropshire, and they have confirmed this is classed as an outbreak (5 cases in the last 10 days). They have given us the following advice:

- There is no need to close the class.
- All children must continue to attend school unless they develop symptoms of COVID 19 (high temperature, new continuous cough, loss or change to sense of smell or taste).
- If a child develops symptoms, they must have a PCR test as soon as possible and isolate until the result is confirmed.
- If any other household member tests positive, children should have a PCR test and remain at home until the result is back. If negative, the child may return to school but it is advised to have a further PCR test 4/5 days later.

They have also advised us that there are seeing an increasing number of children test positive where the only symptom has been sickness and in particular diarrhoea. It is therefore advised that any pupil with an upset stomach has a PCR test when able.

Should we have any further confirmed cases, we will inform you and pass on the advice we receive. If you have any questions, please contact any member of the Senior Leadership Team via the school office.

Thank you for your continued support during this time.

CHRISTMAS LUNCH & CHRISTMAS JUMPER DAY

We are having Christmas lunch on Tuesday 7th December.
Remember to wear your Christmas jumper too!

Reporting Pupil Absence

Please ensure that you advise the school of **ALL** pupil absence. Contact on the first day ideally needs to be via a telephone call (you may leave a voice message). If your child is ill, please clarify the nature of the illness. Further absence notification can be sent via other means, Class DOJO/email etc. Please keep in regular contact, for example, every second day of a lengthy absence, so we may keep our registers up to date as we are required to.

School Start Times

We have noticed recently that increasing numbers of children are arriving late to school. Please remember that school starts at 9 o'clock prompt, so please ensure your child is in school at least 5 minutes beforehand to allow the register to be taken. Pupils in Key Stage 2 can be dropped off at 8.45, so whilst we appreciate that some parents and carers have children at both sites, this should leave sufficient time to arrive at Key Stage 1 before 9am.

All learning time is valuable so please help us to avoid unnecessary delays at the start of the day.

Thank you.

Cold Weather

Please make sure that your child comes to school in a warm coat each day. If they have a hat, scarf, and gloves, please make sure that they bring those too. If the weather is dry, the children will be outside at morning play and lunchtime, and we would like them to stay warm.

Tesco Tokens

Just a reminder that we have our token box in store at Tesco until 31st December 2021. Our project is titled 'Growing Healthy Children' and the focus is on sustainability, growing vegetables, healthy eating, and cooking. Please vote for our school as often as you can. To vote, you will need to make a purchase within store of any value. You will receive one token per transaction. Thank you.
