

Diocese of Hereford Multi-Academy Trust
Scheme of Delegated Authority

SCHEME OF DELEGATION

(Please note where it states Local Academy Boards, this includes Strategic Task Groups, where these are the main form of governance within an academy)

THE PURPOSE OF THIS DOCUMENT

The Scheme of Delegated Authority ('SODA') exists to clarify the roles and responsibilities of the Trust (represented by the Board of Directors and the Executive) vis a vis Headteachers and Local Academy Boards (LABs). It further details different degrees of roles and responsibilities for academies that are performing well, as well as those that are underperforming. The following Scheme of Delegated Authority is one of the principle outputs of the working agenda the Board of Directors is using to focus its resources on substantial improvement in the performance of the Trust.

The document should be seen as a 'rulebook' that will save time and energy that might otherwise be lost trying to clarify roles and responsibilities on an issue by issue, or Academy by Academy, basis. Its primary objective is to free up the time and resources of the LABs, Headteachers and the Trust so that we may all focus our time and resources on our mission to provide our children with the high quality education they deserve. Like all rulebooks it will be open to modification with time and experience. It is a rulebook that clarifies the responsibilities and expectations of each group of leaders with regard to each other.

Our Multi-Academy Trust

The Diocese of Hereford Multi Academy Trust (Trust) is run by an Executive, under a Board of Directors, referred to as ‘Directors’, and is accountable to the Department of Education (DfE), via the Education and Skills Funding Agency (ESFA). The Directors on the Board are appointed by the Diocesan Corporate Members of Trust (DHET). Each Academy has its own Local Academy Board (LAB) or Strategic Task Group (STG). The members who serve on the Local Academy Board (LAB) are appointed by the Board of Directors. Local Academy Boards include both parent and staff representatives.

The Trust recognises three varying levels of support to academies within the Trust, namely:

- Low Support Academies that require a minimum level of monitoring/support
- Medium Support Academies that require a medium level of monitoring/support
- High Support Academies that require a high level of monitoring/support

The way the Trust works

The Directors have overall legal responsibility for the operation of the Trust and the academies within it. In practice, the Board intends to work in partnership with its family of academies. The Scheme of Delegated Authority (SODA), provides for certain functions to be carried out by one or more of the following:

- The Board of Directors (‘the Board’); and/or
- The Chief Executive Officer (‘the CEO’), who is an executive member of the Board of Directors; and/or
- The Chief Finance Officer (‘the CFO’), who is an executive, but not a member of the Board of Directors; and/or
- The Headteacher/Executive Headteacher of the academy; and/or
- The Local Academy Board of the academy.

All academies are required to operate in accordance with Trust's policies and procedures, and to demonstrate the principles of good financial management. Academies are subject to annual external and internal audit, as well as other assurance work, as required by the Trust's Finance and Resources Committee. In the event that an academy is designated as "high-risk" (due to failing educational standards, accumulated deficits or poor financial management, etc.), then the academy shall be presented with a bespoke SODA that identifies the level of delegated responsibility in some, or all, areas.

The Board of Directors

Some of the Board's responsibilities fall within the remit of the Terms of Reference for either:

- Finance and Resources Committee; or
- School Effectiveness Committee, overseen by the Executive and reported to Board.

Where functions are to be carried out by a Committee, this is identified in this SoDA. If no Committee is mentioned, the full Board will deal with the matter.

The Senior Leadership Team ("SLT")

A significant number of responsibilities under the Scheme of Delegated Authority lie with the CEO. It is recognised that the CEO may choose to delegate some of their duties to the CFO and other staff in their team. The SLT currently comprises of the CEO, CFO and Interim Deputy CEO's (DCEO), and is also supported by the Executive Leadership Team (ELT), which comprises of the CEO, Trust officers and Headteachers. The Chair of the Board also attends meetings of the ELT, when appropriate.

Support levels

Academies will be allocated a level of support, which will be linked to the performance of the academy in relation to:

- Ofsted report;
- Quality of teaching and learning
- Leadership and Management
- Outcomes
- Safeguarding
- Finance
- Estates
- People Management (HR)

The support will be reviewed at least once a year, in partnership with our stakeholders. Depending on the outcome of the School Effectiveness meetings, and/or any other exceptional circumstances, an academy may either stay in its allotted category or be moved to another. The CEO reserves the right to change the support group at any time if they believe that this is in the interests of both the academy concerned and the wider Trust family.

Local Academy Board (LAB) structure

The 'make up' of the Local Academy Board follows the category allocated to the academy:

- Low Support - the LAB structure is proposed by the academy, in line with the Articles of Association (AoA), to the Board
- Medium Support - the LAB structure is proposed by the academy, in line with the AoA, to the Board, however, there will be Trust-appointed support to fulfill a specific role
- High Support - the Board of Directors, following recommendations from the CEO, will appoint a Strategic Task Group, consisting of a high level of executive support

If an Academy improves, and is moved to a higher category, it has more say in the 'make up' of its Local Academy Board. Conversely, if a Academy's performance deteriorates, then it may be moved to a lower category, with consequent adjustment to its Local Academy Board.

The Strategic Task Group ('STG') has delegated power to control and support the academy; this may include withdrawing some of the delegated responsibilities of the academy leadership team and undertaking these duties as an STG. Where an STG is in place, LAB should read as STG in the SODA.

Delegated functions

The SODA covers six areas:

- A. Vision and Ethos
- B. Education
- C. Finance
- D. Human Resources
- E. Asset Management
- F. Strategy

NB: For a Multi-Academy Trust, in line with the Articles of Association, there is more flexibility on the structure of a LAB/STG and this continues to be developed. Below are examples of those who can or should be appointed to serve on a LAB/STG

Foundation - appointed by the Trust Board who support to ensure the academy uphold the trust deeds and the Christian Distinctiveness and Ethos of our church schools.

Staff - Staff members elected by teaching and support staff.

Parent (statutory requirement either at Board or LAB level) parents or carers elected by other parents or carers with children at the school, or on occasion, appointed by the Trust/Local Academy Board.

Trust - a discretionary category appointed by the Academy Trust to fulfil a specific role on the LAB/STG.

The Headteacher – who has voting rights as an ex-officio member.

The Trust has legal responsibilities to the DfE. It is expected to exercise a tight rein over High Support Level academies in order to secure the required school improvement, and this is reflected in the SoDA. More responsibility is passed to Medium Support Level academies to reflect their lower level of support; for Low Support Level academies, it is very much the case of a “light-touch” approach.

The Trust has legal responsibilities to the DfE and the ESFA. It is expected to exercise robust control over High Support Level academies, across all aspects of leadership and management, in order to secure the required school improvement, and this is reflected in the SoDA.

Working together as a family

In addition to the school improvement programme, all academies within the Trust family may be asked to contribute to one or more of the following:

- Development and maintenance of academy policies
- Sharing of best practice through academy-to-academy support
- Provision of emergency cover
- Mentoring and coaching of staff
- Recruitment, training and appraisal of members of Local Academy Boards
