PARKING

We continue to receive complaints from the residents of Whitefriars. Please be aware the car park there is private which the residents pay for. We have been informed the local police, council and MP have been contacted and residents have been told to take pictures of illegally parked cars and of those that are blocking driveways or parked dangerously.

Not only should we respect our neighbours and their property, but it is essential that ambulances can attend in emergencies. Residents must also be able to access their own parking area and vehicles to attend important appointments.

Whilst we appreciate parking is very limited, we respectfully ask you to find alternative, safe parking places when dropping off/collection your children.

Water Bottles

With the weather becoming warmer, can you please ensure that children are coming to school with a drinks bottle. The bottle must only contain water (non-flavoured). Children will be able to refill their bottles as needed during the day.

If you require a hard copy of this Newsletter, please contact the school office at either site, thank you.

Appointments

There is an increasing number of pupils leaving during the school day for appointments. Please try and book appointments during holidays or after school. If this is not possible, please try and book them as near to home time as possible so the children are missing as little valuable learning time as possible (core subjects such as maths and English are taught in the morning sessions).

All appointments require proof to be sent through to either office, eg: screen shot, letter, appointment card. This can be done via Dojo or the admin email: admin@ludlowprimaryschool.co.uk. This is to ensure the registers can be marked with the appropriate code and a copy is kept in the pupil's file for the attendance officer.

Gardening

If you have any spare plants or compost which you would be willing to donate, we would be very grateful.

Cancelling Lunches at Clee View

If you have booked a school lunch for your child, but they then decide they would like a packed lunch instead, please cancel the lunch booking by midnight the night before.

If your child decides on the day that they would rather have a packed lunch, please contact the school office before 9.30am so that we can cancel the booking with the kitchens. If the booking isn't cancelled, you are still charged for the lunch, and the food will be cooked but not eaten.

Please help us to avoid any unnecessary food waste.

Thank you

We will be moving to a new information management system for the new academic year, Arbor. We've been extremely impressed with its functionality and intend to switch the school over for the beginning of September. It will mean parents downloading the Arbor app to set up communication between us, and you can find out more at: https://support.arboreducation.com/hc/en-us/articles/212097029-A-quick-introduction-to-Arbor-for-guardians-andparents#h_01HAPC98YPK9K3K74K0CT3M9PH

Contacting Teachers

If you are in a position where you are unhappy with something involving your child in the class or within school, then Class Dojo is **not** the way to report this. Instead, we ask that you telephone, email or make an appointment via the school office to discuss the matter in person with either the class teacher or a Senior Leader.
