LUDLOW PRIMARY SCHOOL

NEWSLETTER

2nd December 2019

This local family firm has kindly and generously sponsored the School's sports kit and we are very grateful to them. Please give your support if you can, thank you.

Health for Kids offers a fun, engaging and interactive way for children to learn about health. Find games, articles and lots more at:
<https://www.healthforkids.co.uk/>

We have received some complaints about parking along Sandpits Road when children in Little Buds and Acorns are being collected after the morning session. Some residents who live close to the school are finding their driveways blocked by parents' cars around this time. Please be considerate of other people at all times when parking your cars to drop off and collect your children, and ensure that all driveways and emergency access routes are left clear.

Thank you for your co-operation.
