Bookfest

Shrewsbury

Shrewsbury Bookfest has arrived at Ludlow Primary School!

This year, Key Stage 2 children are participating in Shrewsbury Book Awards.

Over the last few months, children and adults from schools across Shropshire have been voting for their favourite children's book of last year.

A shortlist of six books has been chosen and, over the next couple of months, copies of all six books will be available, in the library, for children to read and vote for their favourite. Voting deadline is 20th March 2020 and will be available in the library at Clee View Site. Children need to have read at least two of the six books in order to vote.

The books are:

- 1) Armistice Runner by Tom Palmer
- 2) Malamander by Thomas Taylor
- 3) My Parents Cancelled my Birthday by Jo Simmons
- 4) Slick by M.M Vaughan
- 5) Eagle Warrior by Gill Lewis
- 6) What's That in Dog Years? By Ben Davis

Check out Shrewsbury Bookfest website for more information! <https://www.shrewsburybookfest.co.uk/book-awards-2020/>

Acorns Pre-School wish to replace their patterned cupboard curtains (2 sets) with new ones. They need to be made to measure. We are wondering if any parent is able to, and is interested in, making curtains of this type or knows someone who could.

If so please contact Miss Greaney or Mrs Gill at Acorns Pre-School (telephone number 01584 872765) or pop into Acorns Pre-School to discuss this further. We would need to agree a price and timescale for the work.
